The meeting was called to order at 7:00 p.m.

Present: Mayor Lou Presta

Trustees Flynn, Benigno, Pieroth, Madlener, McInerney and Michau

Village Clerk Cathy Johnson

Discussion

1. Darian Reeves and Wendy Whitaker came in to talk to the Mayor and Board in regards to offering Aflac insurance to our employees. They gave a nice presentation and the Village will take it under consideration.

Village Services

1. The Public Works addition is in full swing, the brick is waiting to be installed.

Unfortunately due to the extremely cold weather additional money will have to be spent to put the brick under a tent.

2. At the new Civic Center they are working on the sprinkler system, the heat, the water and various other construction projects.

3. The units under remodel at RiverCrest are moving along nicely.

4. Working on putting the piping along the Cal Sag, we have run into many very large rocks which have caused delay and problems. We are working through them.

5. The MWRD is working on a bridge to connect the water line.

6. The lake is done. 4 feet of water is in it now. We will be putting in stumps to help give the fish protection.

7. The Crestwood Recreation/Wellness center will be sponsoring the Tree trimming by various departments and groups throughout the Village. The day for trimming will be December 8th.

Village Clerks' Report

2. We will be ordering shirts if the Mayor or Trustees are interested.

3. I will be appointing Colleen Jagodzinski as Deputy Clerk, as of today.

Mayor's Report

1. The Mayor had a lengthy meeting with the towns and engineers involved in the Natalie Creek project in regards to who will engineer the project. Midlothian, Oak Forest, Robbins and Crestwood were in attendance, as well as, Farnsworth Engineering and Terra Engineers.

Village Attorney

1. None

Unfinished Business

1. None
NEW
1. Trustee Pieroth had a question in regards to the second dollar amount on the bid for the Playfield Subdivision Phase I Storm Sewer Rehabilitation. The second bid amount was for an addendum, which has since been decided that we will do ourselves.

BUSINESS
2. MFT funds need to be finished up?
3. The Mayor learned from John Yonan that a non home rule Village might be able to pass a transportation tax to use for infrastructure and roads only. Also, possibly a gas tax too.
4. The Army Corp of Engineers will be putting the $1,000,000 job out to bid probably next January, 2019.

AUDIENCE
1. Diane Taczy was in attendance with the following questions:

PARTICIPATION
A. The length of the lights on Cicero Ave. at Cal Sag Rd. and 135th St.
B. The houses in disrepair on LaVergne Ave., the Village is aware of these and is working on getting the problem solved. Unfortunately it takes a long time.
