HAPPY GARAGE SALE.

ONE PERSON'S TRASH IS ANOTHER PERSON'S TREASURE

Ground was recently broken on the new 135th Street Flood Control project. Taking part in the ceremony were District 130 Board President William Werner, Trustee Frank Caldario, Trustee Anthony Benigno, Mayor Kenneth Klein, MWRD President Kari K. Steele, Trustee Theresa Flynn, MWRD Executive Director Brian Perkovich and District 130 Superintendent Colleen McKay. MWRD Commissioner Mariyana Spyropoulos (not pictured) also was in attendance.

135th Street Flood Control Project Kicks-Off

The long-planned flood mitigation project along 135th Street was launched with a groundbreaking on Tuesday, May 11th by Mayor Klein and the Board of Trustees. The project is the result of years of planning, engineering design and easement acquisitions by the Village leadership and the Metropolitan Water Reclamation District of Greater Chicago (MWRD). Funded by a \$7.6 million grant awarded to the Village, the project will commence this month and end by late 2023.

“We are very excited by the prospect of relieving decades of flooding for the residents of the Crestwood Gardens neighborhood south of 135th Street and east of the Forest Preserve,” Mayor Klein said at the event. “Our objective is to relieve the on-street flooding and basement back-ups that have long burdened this neighborhood. The MWRD and the Village believes that about 80 homes will be able to be taken out of the flood plain after all our infrastructure projects here are completed.”

The project involves the construction of a large storm water basin on Cook County Forest Preserve property that will be connected to a 6-foot trunk pipe along 135th Street that will carry overland flow storm water from the preserve to the Laramie Avenue ditch and directing it to the Cal-Sag Channel. The ditch will be

improved to carry water more efficiently.

Two other related projects to benefit this area are also underway by Crestwood. The first is the Area 2-South Playfield Area Infrastructure and Rehabilitation Project that has started in the Gardens neighborhood. This project will replace aging, leaking cast-iron water mains with new pipe, and abandon the old water mains located in the rear yards. In addition, storm sewers along each street will be upsized to carry more rainwater in big rain events and take the storm water to the MWRD pipe on 135th Street. The project will be completed with all new resurfaced streets. This project will conclude also in 2023.

Finally, a major redesign of 135th Street is in the planning stage. Funded by federal transportation dollars and a Cook County grant, the 135th Street Complete Street Project will bring storm sewers on the roads, sidewalks along the Nathan Hale School side, and a multi-use path along the southside from Central Avenue to Kostner Avenue on the east.

“The Trustees and I are committed to continuing to rebuild our Crestwood neighborhoods. We are both investing in our infrastructure and improving the livability of Crestwood,” said Mayor Klein. “This is an exciting time in our Village.”

Early Voting 2022

LETTER FROM MAYOR KEN KLEIN

Dear Neighbors,

Crestwood Cleanup Day 2022 was a great success. Driving around the Village, I saw many residents taking advantage of the extra service available that day. I would like to personally thank our Public Works crew who assisted in many aspects of this day. Without your hard work and dedication, Crestwood Cleanup Day wouldn't be possible. Cleaning up our yards, businesses and streets shows our Village pride. I would like to remind all neighbors and business owners that as the weather is getting warmer, our grass and shrubs will be in full bloom. Please be sure to keep up on our lawn maintenance. An unkempt lawn is not just an eyesore; it brings with it many other issues. Keeping a tidy property is part of being an active member in the community, so we ask that you please do your best to keep on top of your property's appearance not just for yourself, but for the sake of the whole community.

Community involvement is an essential element to an energetic, interrelated environment. To that end, I encourage all of you to participate in many of our community classes, programs and events. Be sure to check out the Crestwood Recreation & Wellness Center and the Biela Center for upcoming programs and trips, as well as the Windy City Thunderbolts' schedule of games at Ozinga Field. Taking part in Village life is part of what gives us pride of place here in Crestwood, so we encourage you to take advantage of the resources we have available to us.

The Village Board recently passed by vote a plan to issue \$50.00 prepaid gas cards from several of our local gas stations. This plan aims to offer our

residents some relief from the ongoing high gas prices being experienced worldwide at present. Applicants must be Village homeowners, and are required to show proof of residence and to fill out an application. Please see the form available on page 4.

Just as our Village slogan says, we are "A Village on the Move." We have a lot of projects going on around our community these days. Major construction projects that, once complete, will add tremendous value to our Village. During the process I understand that certain situations can cause frustration, inconvenience, and may not make immediate sense, but please know that we are doing everything possible to fix these concerns as efficiently as the projects themselves allow. I hear your thoughts, concerns and suggestions, and promise you that we are doing our part to help correct them. There are many moving parts to each issue, and there isn't always a quick fix. The Board and I are very excited with the coming improvements, and assure you of the tremendous value and growth they will add for years to come.

Lastly, a happy Father's Day to all of our fathers out there. Take some time to rest and relax on your special day. You've earned it.

Wishing everyone the best for a happy and safe summer.

Sincerely,

Ken Klein

Ken Klein,

Village of Crestwood Parking

Crestwood Village ordinance prohibits parking on any village street between 2:00am and 6:00am. The reason for this ordinance is so police will be alerted to abandoned vehicles or suspicious vehicles that require investigation. This ordinance also ensures that all streets throughout the Village will be open to fire and rescue equipment in the event of an overnight emergency. This is especially necessary in areas where narrow streets can block large fire trucks. We will continue to enforce this ordinance. Thank you for your cooperation with this ordinance. The initial fine for this violation is \$75.00. This is a Village-wide ordinance. PLEASE BE SURE THAT YOUR LATE NIGHT AND OVERNIGHT GUESTS ARE MADE AWARE OF THIS AS WELL!

In the Works ...

Crestwood’s Public Works Department has been busy around the Village. Here are some recent updates:

Walker Park

New mulch and updates at Walker Park. It’s been a struggle with weather and supply delivery, but we are working hard to finish this project. A hard winter brought down the net on Field 3. A wet spring didn’t do use any favors trying to rehang it. The lift got stuck four times, but the battle was won and it’s back in play.

Nancy Benedetto Dog Park

We are doing some lawn maintenance and weed control to tidy up the area. Please make sure to do your part and pick up after your dog. On days when the dog park is saturated with water from

heavy rains, please refrain from using the park — it tears up the grass and creates a mud pit. We will be closing the dog park for 2 to 3 weeks to do lawn maintenance and repairs.

Biela Center

Due to a major sanitary pipe issue, our Public Works demo’d and rebuilt more than half of the original building. They have done an incredible job renovating our Biela Senior Center. You have to see it for yourself. Be sure to stop over and visit the staff, and check out the remodel. We will be having a grand reopening this summer you won’t want to miss!

Veterans Banners

Public Works will be hanging the Veterans banners throughout the Crestwood streets. Please be sure to enjoy viewing and celebrating our local Veterans.

Potholes Throughout the Village

We hear you. We are aware that there are many potholes on our streets around the Village due to the amount of construction going on, as well as weather and normal wear and tear. We realize these are very frustrating and have been going on for some time. We have done our due diligence to temporarily repair some of them. We know this is not the permanent solution. Once the construction gets to a certain point, we will be repairing these. We appreciate your continued patience and promise you we’ll have these repaired as quickly as possible.

Ozinga Stadium

Our Public Works did a great job renovating suites at Thunderbolts stadium. Be sure to check them out for your next event to see Thunderbolts play. In addition, all the picnic tables for our parks and Ozinga Stadium have been painted and reinforced for improved comfort.

Cindy Matutis, a familiar crossing guard here in Crestwood for 27 years, recently hung up her safety vest and stop sign to enjoy retirement.

always has been involved in the community. Many years ago, she ran the concession stand at Crestwood Soccer for about 10 years. She began her crossing guard career at Incarnation school in 1995, before transferring to serve in the same capacity at Nathan Hale School for the last 18 years, totaling 27 years of crossing guard duty. When asked Cindy about her time as a crossing guard, she said, “I have enjoyed watching generations of children growing up, and I’m truly going to miss seeing all the kids.”

Mrs. Matutis has done an extraordinary job at her position. Parents and children for many generations have had wonderful things to say about her time as a crossing guard. Cindy, we thank you for your hard work and dedication through the years, and wish you well on your next journey in retirement.

Beloved Crossing Guard Retires

If you have driven down 135th and Long during school drop-off and pickup, you likely have seen Mrs. Cindy Matutis, the beloved crossing guard for Nathan Hale School. She has been keeping our kids safe for 27 years, but her tenure came to an end on Wednesday, June 1, as we bid her farewell to enjoy her retirement.

Cindy has been a resident of Crestwood for 44 years. She and her husband have been married for 46 years, raised three children, and have been blessed with four grandkids. A parishioner of Incarnation Church, Cindy

Jeanne Foster, wife of the late former Crestwood Police Sergeant John Foster, passed away peacefully on May 6th, 2022, at the age of 90.

The couple lived in Crestwood for 39 years, where they worked and raised two daughters.

Jeanne was the Activity Director at Crestwood Terrace Nursing Home. She and her husband welcomed retirement in 1991 when they moved to Edgewater, Fla. Unfortunately, John passed away that same year.

Jeanne is survived by her daughters Julie Hoggren of Chicago and Carol Foster of Edgewater, her sister Carol Wall (Loren), her brother Robert Clayton (Donna), her granddaughter Lisa and great-grandson Giovanni, as well as many other close friends near and far.

A Celebration of Life Gathering is scheduled for June 26th in New Smyrna Beach, Fla.

Crestwood Police: Neighborhood Information Alert

Greetings, Village of Crestwood residents and guests. Over the last two years, we have experienced a pandemic that we have never dealt with before. We all had to make changes and sacrifices to our lives that gave us no choice but to conform. For the safety of our lives, we were forced to stay home from work or school. When the pandemic reared its ugly head back in April of 2020, the Crestwood Police Department knew that many residents and family members would be home, which would cause parking issues that we normally didn't have to deal with.

With that being said, most of you know that the Village of Crestwood has a local ordinance 77.02(Q) preventing residents and their guests from parking on any public way from the hours of 2:00am-6:00am. This allows for the fire department to have full access to the streets after hours, and for the police department to better identify vehicles that don't belong in the neighborhoods afterhours, which can bring people to your home with nefarious actions on their minds. With the ordinance in mind and the pandemic that caused all of your driving family members to be home from work and school, the Crestwood Police Department decided to relax the requirements of the ordinance because we knew that the kids and more cars

would need to park on the streets in front of their homes. The police and fire departments adapted to the relaxed ordinance for the residents.

We have now come to a time where we have to start enforcing the ordinance again. With residents and most family members returning to work and school, and after receiving multiple complaints from residents, we have decided to make this change.

As of **MAY 1st, 2022**, officers on the night shift will start issuing **WARNINGS ONLY** to vehicles violating the Local Ordinance 77.02(Q). We will continue warnings for the entire month of May to allow our residents to get used to the fact that they can no longer park on the public way between 2:00AM-6:00AM.

As of **JUNE 1st, 2022**, officers will start writing **Local Ordinance citations** for vehicles violating the ordinance.

If you have a guest and need them to park on the street overnight, or that intoxicated friend that you didn't let drive, it's OK; we encourage that. All you have to do if you need to be on the street overnight or for a few nights is submit and an overnight parking request in Frontline at www.frontlinepss.com/crestwood

Blood Donations Needed This Summer

When schools let out for summer and families set off on vacation, the American Red Cross typically sees a decline in donors, which can impact patient care. It's critically important that donors make an appointment to give now before heading out for summer activities to help maintain a stable blood supply in the coming months.

Unfortunately, the need for blood doesn't take a summer break. Volunteer donors are the only source of blood and platelets for patients with blood disorders, trauma victims and those experiencing difficult childbirths.

Donors can help save a life in just an hour. To schedule an appointment to donate blood, platelets or plasma, download the Red Cross Blood Donor App, visit RedCrossBlood.org or call 1-800-RED CROSS (1-800-733-2767).

Major Water System Upgrades Continue in Crestwood Gardens Neighborhood

Work began anew this spring in the Crestwood Gardens neighborhood south of 135th Street and west of Long Avenue as the next phase in the multi-year Playfield Area Infrastructure and Rehabilitation Project. The work involves the installation of new ductile iron water mains along the road right of way and new water services being relocated from the rear of each home to the new mains in the front.

“This is a continuation of our commitment to rebuild our aging infrastructure, stop leaking water mains and save the Village residents lost revenue by the leaking pipes,” said Mayor Klein recently. “Moving the water services to the front yard will enable both our Public Works crews and homeowners to do water repairs more efficiently in the future.”

Water Service Lines Replaced

Property owners in this neighborhood will be receiving communications soon from the Village on what this project means for their water service and how the Village is providing free plumbing services to connect their existing water service line to the new main along the street. According to Bill Graffeo, the Village Services Director, there will be “no need to enter” into anyone’s home. “All the work will be done outside the home by skilled, licensed plumbers under the direction of the project contractor, and will be supervised by our Public Works and the Village Professional Engineer. The lines will be done using horizontal directional drilling (HDD) technology with minimal to no disruption to private property.”

The Village will charge no fee to the property owner or resident and there is no requirement to utilize the Village’s contractor for this work on private property. However, should the property owner choose not to use the Village Contractor, then the owner must bear all costs and select their own contractor. Without a relocation of this water service line on each affected property, there will be no water service to that house, since the old water main in the rear yard easement will be abandoned.

“We are very sensitive to making sure we take every precaution and care to protect our resident’s property and yards,” Mayor Klein said. “There will be communication with each owner to make sure all questions are answered. The Village staff and the Village Engineer will be very available to answer questions.”

The Mayor also stated that there is absolutely no indication or evidence of any service lines in Crestwood that contain lead. All the existing lines, and the new lines being installed, are of safe copper tubing.

Storm Sewer Replacements

After the water mains are installed and the new service lines connected, a long-planned project to replace the storm sewers in the streets will be commenced. The objective is to improve the collection of storm water in the streets and take it out more effectively and faster to the large new sewer trunk line being installed this year long 135th Street by the MWRD. This storm water will flow to the Cal-Sag Channel via the Laramie Avenue ditch. “Our residents have been burdened with flooded basements and street for too long,” said the Mayor. “We have to provide relief — and relief is coming!”

It is expected this part of the project will start later in this year. After the construction of the water mains and the sewers, the roads will need resurfacing, which will come in summer 2023.

Construction Safety

The Village asks that all residents and motorists in this neighborhood be considerate of construction crews, pedestrians and children playing and riding their bicycles. “We ask residents to be patient,” Mayor Klein said. “Please use extra care. Drive slow. And look out for your neighbors. Thank you all for your support as we make a stronger and more livable Crestwood.”

A Message From the Village Regarding Lawn Maintenance

We have been receiving more than usual complaints about neighbors not keeping up on their lawn maintenance. We all know there are ordinances put in place that give warnings and fines to neighbors who don't maintain proper care for their lawn. We will be enforcing those ordinances as need be. We ask that it doesn't get to that point. Please take pride in our Village. Let's ALL do our part to keep our homes and businesses tidy and clean.

High weeds can conceal illegal activities, obscure dangerous debris, harbor rodents, and serve as a breeding ground for mosquitoes.

We are aware there are several different construction projects around the Village that may interfere with your lawn and normal maintenance. During construction we do ask that you still cut

as much of your lawn as possible using your weed whacker or other tools if you're not able to mow in certain areas. As the weather continues to heat up our lawn and weeds will continue to grow.

If you are unable to maintain your lawn for a certain reason, please contact Village Hall to help find a solution.

6 Rules of Yard Etiquette That Neighbors Always Appreciate

Living in a neighborhood like Crestwood has a lot of advantages. There is always someone willing keep an eye on your house when you are away, you can find like-minded gardeners who are happy to share landscape ideas and pass along plants and, most importantly, there is the opportunity to develop deep and lasting friendships with the families on your street. There are also many responsibilities that come with living in a neighborhood. Keeping those relationships positive requires respect and concern for your neighbors and their property. Yard etiquette goes beyond the rules and regulations that might be set forth by the Village. In fact, most of it comes down to good manners and neighborly etiquette.

Respect Property Lines

This is an essential part of being a good neighbor. Be sure to prune your vines, shrubs, and trees so that they don't encroach on your neighbor's space. Your neighbor may not mind your lovely roses flowing over the fence and into their yard, but that fast-growing, often invasive wisteria is another matter. Also, be proactive and remove any damaged or diseased tree branches before the next storm takes them out along with your neighbor's window.

Don't Be a Noisy Early Bird

Many of us like to take advantage of every single minute of the weekends and we rush outside to crank up the lawn mowers and weed whackers before the rest of the neighborhood has even tumbled out of bed. Just because you have a before-dawn work ethic doesn't mean everyone else does, too. It's important to be considerate when powering up your power tools on the weekends and wait until a reasonable time.

Don't Spoil the Neighbor's Cookout

Do you see the neighbors gearing up for a cookout or pool party? Maybe now is not a good time to crank up your riding tractor or spread something odorous in your garden. I know what you're thinking — you really need to get your work done. But be a good neighbor, let the folks enjoy the party, and move on to another project for the afternoon — the garden fertilizer can wait until tomorrow.

Communicate About Big Projects

It's good manners to let your neighbors know when you're planning major work on your house or yard. If there is machinery coming in to take down trees between your properties or to put up decking in your back garden, let your neighbors know so that they can be prepared for the noise that this sort of work brings. Communicating about this will allow them to make any necessary arrangements for potential disruptions to their day.

Control Your Pets (and Children)

If you want to quickly create an inharmonious environment between you and your neighbor, just let your dog run into her yard, dig up her petunias and then leave his calling card on her front porch. Be a good neighbor and keep your pets enclosed so they don't run loose. You know that your 120-pound German shepherd is really a sweetheart that just wants to play, but it's essential to be considerate to everyone (including your pet) and keep him contained on a leash or behind a fence. The same goes for children — don't let them run loose and play in someone else's yard without permission.

Encourage Your Guests to Follow the Rules, Too

Everyone expects to have guests over for backyard barbecues and other celebrations throughout the year, but annoyance between neighbors can arise when guests decide to jump the curbing and park in yards that are not yours. This can result in muddy ruts in the grass, trampled flower beds, and broken sprinkler heads. If you're worried about this, send a quick reminder to guests encouraging them to park on the street and to avoid neighbors' carefully maintained lawns.

Shepard Wins Digital Media Top Honors Again

The digital media program from Shepard High School won the Regional Award of Excellence at the South Suburban College High School Video Contest for the second straight year.

The award recognizes the top digital media studio among high schools in the region. It’s the sixth time that Shepard teacher Jodi Pelini has won this award. She won it four times while teaching at Eisenhower High School prior to coming to Shepard.

Shepard students won many individual honors at the contest. First-place winners included Tyler Florez, Commercial, “School’s Out,” Oswaldo Sereno, Creative Mobile, “Mi Familia,” Elizabeth Lappano, Nora Fraider and Rachel Kozicki (under the direction of staff member Ken George), Live Multi-Camera Event, March Choir Concert.

First-place winners also included Ahmad Hadad, Public Service Announcement, “Drive Safe” and Michelle Zielinski, Drama, “The Mirror in Me.”

Second-place winners included Isela Enriquez, Public Service Announcement,

Digital media teacher Jodi Pelini and her students from Shepard High School won the Regional Award of Excellence at the South Suburban College High School Video Contest as the best production studio in the region for the second straight year.

“Donate, Save a Life,” and Myesha Weatherly and Taylor Thomas, Comedy, “A VLOG to Remember.”

Third-place winners included Isela Enriquez and Emily Dominguez, News Program, “Astroworld Media,” Melisa Ercakar, Taylor Thomas and Mariah Ingram, Podcast, “Be Kind to Your Mind,” and Elizabeth Lappano, Drama, “Borderline.”

Good Deeds Breakfast Celebrates Kindness, Integrity at Shepard

For some students, honesty, integrity and thoughtfulness come naturally. Shepard High School administrators wanted them to know that no one takes their choices for granted at the recent Good Deeds Breakfast.

Assistant Principal Jim Kane asked staff members for recommendations of everyday kindness. Shepard honor students received invitations to the breakfast for various reasons.

One reported a safety issue. Several returned lost cell phones belonging to other students or staff members.

Others included turning in a lost wallet, helping a nun at a local McDonald’s, reporting a student in distress, preventing a fight between two students, and bringing lost jewelry to the main office.

Students recognized include Alora Akin, Giovanni Blue, Sofia Cerullo, Malik Hale, Embela Gashi, Isabelle Gilbert, Zariah Grayson, Tramell Harper, Timothy Hoplauf, Semaj James, Jamie McCarthy, Morgan Miles, Damian Pardol, Jordan Perez-Meza, Jacob Reynolds, Shahed Rezia, Jermaine Rooks, Giulia Scarnavack, Chanel Talbott, and Naphis Valle.

Shepard High School honored nearly 20 students for everyday acts of kindness, honesty and helpfulness at the Good Deeds Breakfast.

Shepard Mentors Help First-Year AP Students Prep for Exams

With national Advanced Placement exams on the horizon, Shepard High School counselor Aminah Garcia recently gathered student mentors for a final volunteer effort.

All year mentors worked with first-year AP students to help them navigate the challenges and time demands of courses that offer university-level rigor. The exams, which offer the opportunity to earn college credit, can create new anxieties.

So Garcia and the mentors, usually paired with a first-year student enrolled in a course they already took, worked during lunch periods to assemble and deliver kits with pencils, pens, erasers, snacks and more.

Throughout the academic year counselors and mentors met with first-year AP students to help them navigate the rigor of AP. Many mentors paired with first-year students who enrolled in classes they took the previous year.

Shepard and the rest of District 218 has experience enormous growth in AP classes in recent year. Last year District 218 students set a new record for AP exams taken. The number rose from 1,698 in 2019-2020 to 2,137 in 2020-2021.

Growth happened despite the pandemic and its well-documented effects on learning environments and mental health.

After a decade of growth in AP enrollment, the upward trend surged in 2019-2020 when District 218 partnered with Equal Opportunity Schools to recruit more students of color. This decision proved pivotal.

Between the 2019-2020 and 2020-2021 academic years, the number of Black students enrolled in AP courses increased from 129 to 305. Likewise, the number of Latino students enrolled in AP courses grew from 327 to 622.

Overall in District 218, the number of students enrolled in AP courses increased from 909 to 1,675 between 2019-2020 and 2020-2021.

With a 15-0 win over Argo, the Shepard Astros varsity baseball team brought coach Frank DiFoggio his 400th career victory.

DiFoggio Earns Career Victory 400

Shepard High School recently celebrated varsity baseball coach Frank DiFoggio earning career victory 400, as the Astros shut out Argo by a score of 15-0.

“To my guys who have played for me and/or coached with me, I would like to thank every single one of you,” DiFoggio, a social studies teacher who has led the baseball program since 1998, said. “I appreciate the efforts you have given throughout the years I have asked for.

“Everything about the Shepard baseball program is because of you,” he continued. “I always viewed you guys as my little brothers, and now as my additional sons. I am so humbled by the messages I have gotten over the past week. My motivations have always been to give you a memorable experience and maybe a life lesson or two to take with you. The honor is all mine to have coached you.”

Shepard Astros varsity baseball coach Frank DiFoggio was honored with a plaque to celebrate his milestone 400th career win.

Shepard Senior Signs With Adrian College

Shepard High School senior Nicole Pietrucha recently signed a national letter of intent to play women’s hockey for Adrian College.

In May, Nicole, who earned All-South Suburban Conference honors in golf last fall, helped the Shepard girls track team win the South Suburban Conference Red Division championship for the eighth time in 10 years.

Shepard High School senior Nicole Pietrucha signed a national letter of intent to play women’s hockey for Adrian College.

Shepard Senior Signs With Reigning DIII Champions

Shepard High School senior Chloe Dunigan has signed a national letter of intent with the Loras College women’s track team.

Next year Chloe, an Illinois State Scholar ranked near the top of her academic class, will join the NCAA Division III reigning national champions.

Recently, Chloe won the IHSA Sectional championship in triple jump to help the Astros place second. She helped Shepard win the South Suburban Conference Red Division championship for the eighth time in 10 years.

Shepard High School senior Chloe Dunigan signed a national letter of intent to run track for reigning NCAA Division III champion Loras College.

Seniors Riley Evoy (left), Jose Zavala-Tinoco (center) and Niko Bucio (right) won the Iron Astro Award as seniors who have played a sport in each of their 12 seasons of high school.

Shepard Announces Athletic Award Winners

Shepard High School Athletic Director Lindsey Nissen recently hosted the ceremony announcing the annual athletic award winners.

Senior Chloe Dunigan won the William Gutches Memorial Award and Outstanding Senior Female Athlete Award. Chloe will run track for Loras College, the defending NCAA Division III champion.

Senior Kelly Greene, who will play softball for the University of Wisconsin-Green Bay, won Outstanding Senior All-Around Female Athlete.

Senior Damari Reed won the Outstanding Senior Male Athlete Award. Damari placed second in his weight class at the IHSA wrestling state finals and will compete at Southern Illinois University-Edwardsville.

Senior Chloe Ayres won the Outstanding All Around Female Athlete Award, a recognition for a Shepard athlete who plays more than one sport.

Shepard senior Roy Williams, who will play football at Northern Illinois University, won the Outstanding All Around Male Athlete Award, a recognition for a Shepard athlete who plays more than one sport. Roy also won an IHSA Sectional championship in track in shot put.

Seniors Riley Evoy, Jose Zavala-Tinoco and Niko Bucio won the Iron Astro Award as seniors who played a sport in all 12 seasons of high school.

Hello Residents,

The Crestwood Recreation and Wellness Center Staff are gearing up for the summer! Along with the activities listed here, please visit www.crestwoodfitness.com to keep updated to what is happening in the building and community with the CRWC! As always, feel free to reach out to us by calling us at our new phone number (708) 659-4800 or email us at crwcsports@crestwood.illinois.gov.

The CRWC will be offering a membership specifically for college students who are home for the summer. This new membership is only \$45 and will be good now through Aug. 29th, 2022. Our college summer membership will allow the students access to our sport courts, track, and fitness center throughout these summer months. Come on in to the CRWC to sign up for your College Summer Membership today!

Our newest 6-week session of swim lessons begins July 26th through Aug. 27th. Come into the CRWC on Monday, June 20th to secure your child's spot. Our lessons do fill up fairly quickly. If you happen miss registration, don't you worry. Our swim lessons run continuously throughout the year. Every 6 weeks or so, we will have information for our new session. Feel free to call us at 708-659-4800 with any questions.

Get ready for Summer Camp! From June 13th-July 22nd, the CRWC will be hosting a 6-week summer camp for kids between the ages of 8 and 13 years old. The camp will take place from Monday-Thursday from 7:30am-12pm. Our staff will plan daily activities for the campers to participate in tie-dye, outdoor sports, scavenger hunts, and indoor games. Come on into the CRWC to register!

Zumba classes are held at the Biela center every Thursday night at 6:30. Feel free to drop by and try a class for \$10. If you enjoy the class, come pick up a punch pass or sign up for the next 6-week session here at the CRWC!

The CRWC is happy to announce our partnership with the Morton Arboretum. Their mission is to beautify Crestwood by planting trees throughout the Village. Together we plan to plant 18 trees by Walker Park in October, and are looking for volunteers! If you are interested in volunteering your time planting trees for our village, please call us at (708) 659-4800 for more information. The Morton Arboretum will have a booth at the Windy City Thunderbolts game taking place July 15th if you'd like more information on their mission.

Cityside Volleyball Club is coming to the CRWC! Cityside is a club affiliate of 1st Alliance Volleyball Club providing teams for youth athletes ages 11U-14U. We are excited to begin working closely with Cityside Volleyball in providing camps and hosting tournaments for the community.

Come on out to show your support for our Crestwood Crush teams. Pinto games are held on Tuesdays and Thursdays at Playfield Park. Bring the family out, catch a game and support your community.

Our 11U baseball tournament taking place the weekend of May 14th was a big success. We are happy to see so much support from surrounding communities and organizations. Thank you to everyone who contributed and came out.

We are happy to announce our annual Island to the Wood 4.6 Wiffle Ball Tournament! This is a double elimination tournament with a full day of live entertainment, including a beer garden and food vendors. It will be located at the Walker Park softball fields on Saturday, Sept. 10th. We are looking for all teams, sponsors and food vendors who are interested in participating in our annual event. Call or come on into the CRWC for more information.

CRWC Summer Camp 2022

The Crestwood Recreation and Wellness Center is happy to bring back their Summer Camp for 2022. Over the course of six weeks, our campers can expect to play an array of sports including soccer, wiffle-ball, kickball, basketball and many more. Our camp counselors will also lead the campers in several games taking place both at our rec center and parks in the area. Campers will get the opportunity to tie dye camp t-shirts, go swimming in our facilities swimming pool, and make new friends through a summer of fun activities together. Each day our counselors will lead the campers through different sports and fun games while encouraging creativity and problem solving skills through healthy competition.

*Campers are expected to bring a refillable water bottle

*Campers should be prepared to do activities both inside and outside, and should dress accordingly.
