A Village on the Move

JUNE 2024 • #567

Save the Date:

**National
Night Out
AUGUST 6TH**

Walker Park

139th and Laramie Ave.

The Crestwood Police Department cordially asks residents to mark their calendars: National Night Out will take place Tuesday, Aug. 6th.

The campaign promotes police-community partnerships and builds neighborhood camaraderie to help make our Village as safe as it can be. Neighbors who might not otherwise communicate get the chance to introduce themselves, and Crestwood residents get to know the police officers who patrol their streets, bringing everyone together in a positive setting. The event often features a hot dog cookout, a DJ, a bouncy house and other fun activities for attending families. More information will be available soon about this year's activities, but rest assured that this year's National Night Out will be, as always, a fun and enriching experience for families and for everyone who lives in Crestwood.

Crestwood's event has consistently ranked as one of the top National Night Out events in the United States for the past number of years (RANKED #15th in 2023 by the National Association of Town Watch in our population category)

A HUGE THANKS to the great support and participation from our community.

FEATURED ARTIST JUNE SHIRLEY B. NEUMANN

Shirley B. Neumann was a self taught artist for over 60 years. She first started drawing as a hobby as a young girl in the 1940's. She wasn't allowed to follow her love of art as a young woman, times were a lot different then.

She first began to work seriously on her art in the early 1980's once her 5 children had become a little older and she could dedicate time to her love of art.

Shirley grew up in the south suburbs of Chicago before settling in Crestwood in her golden years. She loved the community, especially her Wednesday morning art class.

She has left behind a legacy of art that we will treasure in her memory.

Illinois Crumbl® Teacher of the Year from Nathan Hale Middle School

In honor of National Teacher Appreciation Day, Nathan Hale Middle School is thrilled to announce that one of their teachers was named the Illinois Crumbl® Teacher of the Year.

Thousands of outstanding teachers earned heartfelt nominations from parents, students, friends, or fellow faculty members. All of these have demonstrated extraordinary dedication to their students, inspiring them to reach new heights and fos-

tering a love for learning. Through this initiative, Crumbl® seeks to shine a spotlight on these unsung heroes and celebrate their invaluable contributions to society.

On Monday, May 6, 2024, Ms. Desiree Alvarado was named the Illinois Crumbl Teacher of the Year! Her family, friends and co-workers surprised her in the library of Nathan Hale Middle School with a cookie party and a \$1000 check to celebrate this well-deserved honor!

Village of Crestwood Parking

Crestwood Village ordinance prohibits parking on any village street between 2:00am and 6:00am. The reason for this ordinance is so police will be alerted to abandoned vehicles or suspicious vehicles that require investigation. This ordinance also ensures that all streets throughout the Village will be open to fire and rescue equipment in the event of an overnight emergency. This is especially necessary in areas where narrow streets can block large fire trucks. We will continue to enforce this ordinance. Thank you for your cooperation with this ordinance. The initial fine for this violation is \$75.00. This is a Village-wide ordinance. PLEASE BE SURE THAT YOUR LATE NIGHT AND OVERNIGHT GUESTS ARE MADE AWARE OF THIS AS WELL!

LETTER FROM THE MAYOR

Dear Neighbors,

June brings the official first day of summer! Summer time around Crestwood is a busy time. Our parks are filled with our kids playing, our various fields have our local families gathered cheering on the kids playing baseball, T-ball, softball and soccer it's a great time of year.

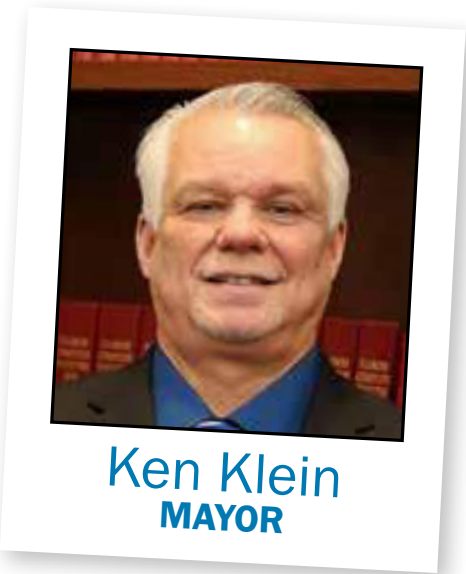

Crestwood cleanup day was a great success. Many homeowners took advantage to spring clean and

tidy up their homes. A big thank you to Republic Services and our awesome Public Works department for making this day happen.

Charley's Cheesesteak and Wings on Cicero opened up recently. Great hard working community orientated family. Definitely recommend the Cheesesteak sandwich! Be sure to stop by and tell them the Mayor sent you!

As your Mayor, my goal is always to continue to make Crestwood a great place to live, work and visit. Our Motto is "A Village on the Move" and that we are. The traffic light replacement project is still ongoing throughout the summer. The Cicero Avenue streetscape Project has also begun. This is where they're going to replace all the lights along Cicero Avenue through Crestwood. Within a few weeks, the Cicero Avenue refresh project will begin where they will seal all the cracks and repaint all the safety stripes down Cicero will also start. So at times traffic will be down to 1 lane at time. So drive safely. Allow extra time when traveling down Cicero.

If you're looking for a great summer camp for the kids, the CRWC has a great camp planned for our 5-12 year olds. Cindy, our Director and her staff at the Biela Center continue to plan some great trips and events for our seniors as well. Don't forget, Tuesday and Fridays we have lunch and bingo so be sure to come by and

join the crew at the Biela Center and see what all is planned.

As our kids in our Village are wrapping up the school year I want to remind us all to be cautious as we drive the streets. More children and families will be out and about. I wish you all a Happy and safe summer.

I want to wish all the Fathers a very happy Father's Day. I hope you have a wonderful day and are celebrated!

Sincerely,
Ken Klein

Grilling Safety

There's nothing like outdoor grilling. It's one of the most popular ways to cook food. But, a grill placed too close to anything that can burn is a fire hazard. They can be very hot, causing burn injuries. Follow these simple tips and you will be on the way to safe grilling.

SAFETY TIPS

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- Keep children and pets at least three feet away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.
- Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- Keep charcoal fluid out of the reach of children and away from heat sources.
- There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- When you are finished grilling, let the coals completely cool before disposing in a metal container.

PROANE Grills

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy bubble test, and there is no flame, turn off both the gas tank and the grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. **If you smell gas while cooking, immediately get away from the grill and call the fire department.** Do not move the grill.

If the flame goes out, turn the grill and gas off and wait at least 5 minutes before re-lighting it.

FACTS

- July is the peak month for grill fires.
- Roughly half of the injuries involving grills are thermal burns.

CRWC Spring Baseball and T-Ball Opening Day Parade

On Sunday, April 28th we kicked off the Spring Baseball and T-Ball season with our opening day parade and games. It was a great turnout by the Crestwood Community to come and support our athletes. Crestwood Fastpitch and Crestwood Soccer also had some of their teams participate in the parade. In the beginning of the season, each Crestwood Crush Baseball and T-Ball team played one of their games on the Thunderbolts field. Games are continuing to be played at Crestwood's home field, Playfield Park and other surrounding towns' fields for the remainder of the season. Good luck to all our Crestwood athletes!
