FEATURED ARTIST JUNE JIM O'LEARY

Jim O'Leary, a resident of Oak Forest, attended Chicago Public Schools while in elementary school where his interest in art piqued during his 5th grade art class when he used tempura paint to create a still life painting. The classroom also had a print of Renoir's "On the Terrace (Two Sisters)", the original of which is on display at the Art Institute of Chicago and which is still his favorite work of art. Jim went on to attend Marist High School but put art on the back burner when no art classes were offered. (They have since built an addition devoted to art.) He majored in science in college but pointed out that he enrolled in an Art Appreciation course and recalls his class taking several field trips to the Art Institute of Chicago.

After college, Jim attended graduate school, taught science at Catholic schools in the Chicagoland area, and raised children with his wife Nancy. His busy schedule left little time to dabble in art. After teaching in Catholic schools for ten years, Jim went on to become a faculty member teaching life sciences at South Suburban College, and it was there that his interest in art resumed. He happened to teach on the same floor as the art department and where the college held art exhibits. Exhibitions by two of the women who were founding members of Union Street Gallery in Chicago Heights were of particular interest to Jim. Wanting to show his support for the arts, he became involved at Union Street Gallery about 20 years ago. Eventually though, Jim found he was no longer satisfied with being "just on the sidelines." Instead, he was committed to creating art and started taking classes at the gallery. Jim recalled how his instructor, Renee Nordstrom, used the book, The Artists Way, for her class. He has continued to serve on the board of Union Street Gallery for the past 15 years.

Jim's sister and fellow artist, Peg O'Leary, who was The Crestwood Advisor's Artist of the Month for December 2024, began taking classes with local artist, Beth Leahy, at Vogt Gallery in Tinley Park and McCord

Art Gallery in Palos Park. Jim decided that he, too, would take weekly classes, and has been enrolled with Leahy at McCord for the past 15 years. Jim almost exclusively paints in oil, focusing on still life but more recently branching out to portrait and human figure painting.

Jim has shown his artwork at Vogt Visual Arts Center, MVCC's Robert DiCaprio Gallery, and McCord Gallery. In addition, he has displayed his work at Acorn Library in Oak Forest where he likes to take advantage of the large showcase space available. He not only presents his artwork but also shares educational materials like art books and brochures along with samples of art materials for the public to view and become better informed about the art world. He says he has been thinking a lot about AI usage and how it will affect art, contemplating that it will have a tremendous impact on both artists and the world of art in the not-so-distant future.

Besides art, Jim also enjoys reading, working out, and being a grandfather. He values frequenting the restaurants along Cicero Ave. in Crestwood, having his art reproduced at PDS Printshop in Crestwood and attending Crestwood's Annual Fine Arts Fair where he has purchased several pieces of art by local artists. About 15 years ago, Jim joined Town and Country Art League (TCAL), where local artists perform live art demonstrations using numerous mediums each month. TCAL meets every second Friday, September through May, from 7:00 to 9:00 p.m. at the Bie-la Center in Crestwood. Guests are welcome to attend with a \$5 donation. And remember, art is for everyone!

Village of Crestwood Parking

Crestwood Village ordinance prohibits parking on any village street between 2:00am and 6:00am. The reason for this ordinance is so police will be alerted to abandoned vehicles or suspicious vehicles that require investigation. This ordinance also ensures that all streets throughout the Village will be open to fire and rescue equipment in the event of an overnight emergency. This is especially necessary in areas where narrow streets can block large fire trucks. We will continue to enforce this ordinance. Thank you for your cooperation with this ordinance. The initial fine for this violation is \$75.00. This is a Village-wide ordinance. PLEASE BE SURE THAT YOUR LATE NIGHT AND OVERNIGHT GUESTS ARE MADE AWARE OF THIS AS WELL!

LETTER FROM THE MAYOR

Dear Residents and Business Owners
of the Village of Crestwood,

Summertime is finally here, and I hope everyone has the opportunity to enjoy time with family, take vacations, and create lasting memories with your children while school is out. As our kids spend more time outdoors enjoying the summer weather, please remember to slow down and drive carefully throughout our neighborhoods.

I would also like to remind everyone to continue keeping up with grass cutting, landscaping, and general property maintenance. Taking pride in our homes and businesses helps keep Crestwood looking beautiful and protects one of the most valuable investments many of us will ever have — our homes. By keeping properties neat, tidy, and free from unnecessary clutter and garbage, we help

maintain and improve property values throughout our community.

I also want to welcome two new businesses to Crestwood:

- **The Matka Khichdi**
13545 S. Cicero Ave
- **Don Juan Mexican Grill**
13223 S. Cicero Ave

Please join me in supporting these new local businesses and giving them a warm Crestwood welcome.

I'm also excited to invite all Crestwood residents to Crestwood Community Day at Ozinga Stadium on Friday, June 12, 2026, at 6:35 PM. Free tickets will be available for all Crestwood residents to enjoy an evening watching your own Windy City ThunderBolts, followed

by a spectacular fireworks show after the game. We hope to see everyone there for a fun-filled night with family, friends, and neighbors.

Our recent Crestwood Cleanup was a tremendous success. I would like to personally thank Republic Services and all of their staff for their hard work and support, along with our outstanding Public Works Department for helping residents keep their homes and neighborhoods in great shape. Your participation and community pride truly make a difference.

Finally, as Father's Day approaches on June 21st, I want to wish all fathers and father figures a very Happy Father's Day. One of the greatest gifts in my life has been becoming a father and

cherishing the memories made with my own father. I hope all of you can spend quality time with your loved ones and create new memories together that will last a lifetime.

Wishing everyone a safe, happy, and enjoyable summer.

Sincerely,

Ken Klein

Nathan Hale 'Girls on the Run' Compete in 5k

Nathan Hale Primary School proudly celebrates its third grade Girls on the Run participants, who recently completed their season with a 5K race at Grant Park.

Coached by Mrs. Frausto and Ms. Campos, the students began training in March and demonstrated dedication and perseverance throughout the season. In addition to their physical training, the group completed a meaningful community project in partnership with ALIYA Nursing Home in Crestwood, where they created birthday cards, get well cards, and more to support residents.

After months of hard work, the students crossed the finish line at the Chicago Girls on the Run 5K alongside their families and team leaders. Surrounded by supporters and the scenic views of Lake Michigan, they showed determination, confidence, and teamwork across the 3.1-mile course.

Congratulations to all Nathan Hale Primary School runners on this outstanding accomplishment.

Crestwood Residents & Businesses,

Please Help Keep Crestwood
Looking Its Best This Spring

With the recent spring rains and cool temperatures, grass and weeds are growing faster than normal throughout the Village. We would like to remind all residents and business owners to maintain their properties by regularly mowing lawns and trimming weeds.

In the Village of Crestwood, allowing grass or weeds to grow excessively can become a public nuisance and a violation of Village property maintenance standards. Property owners are responsible for maintaining all areas of their property, including parkways and the area between the sidewalk and street.

PROPERTY
MAINTENANCE
REMINDER

- Grass and weeds should be kept neatly trimmed and maintained at all times.
- Vacant lots and commercial properties must also be properly maintained.
- Regular lawn maintenance helps improve neighborhood appearance, property values, and public safety.

VIOLATIONS &
PENALTIES

Properties found in violation may receive notices and could be subject to fines of \$200 to \$750 and additional enforcement action if conditions are not corrected within the required timeframe.

§ 94.061 HEIGHT RESTRICTIONS
It shall be unlawful for anyone to permit any weeds, grass or plants, other than trees, bushes, flowers or other ornamental plants, to grow to a height exceeding 12 inches anywhere in the village; any plants or weeds exceeding the height are hereby declared to be a nuisance.
(Prior Code, § 4-4-2) Penalty, see § 94.999

REPORTING
CONCERNS

Residents may report properties with excessive grass or weed growth by contacting Village Hall or submitting a property maintenance complaint through the Village.

Phone: 708-371-4800 Ext. 5002
